Second
Transnational
Partners meeting in
Nicosia, Cyprus, on
the 28th and 29th of
May 2025

Welcome to the fifth edition of the
Eco-Lingua Kids Project
Newsletter!

This phase of our journey was
dedicated to the creation,
evaluation, and finalization of all
the deliverables of the project, as
well as the preparation of the
Multiplier Events.

On the 28th and 29th of May
2025, the project partners
gathered for the second
Transnational Project Meeting,
held in Nicosia, Cyprus. This
meeting provided a valuable
opportunity to coordinate our
efforts, review progress, and
finalize the content of the project
results.

ECO

PROJECT UPDATES

SOON

Next Steps

- With the final stage of the project approaching, partners are working together to ensure that the outcomes are **consistent, high-quality, and ready to support educators** in integrating language learning with environmental education.
- Each partner will also be hosting a **Dissemination & Sustainability Event** in their country—stay tuned for all the exciting updates!
